SCREENSHOTS

1. Frontend

The screenshot displays a web application interface. The top section, titled "Products Available for You!!!", contains a table with 5 items. Each item has an "Item ID", "Item Name", "Item Price", and an "Add to Cart" button. Below this, a second screenshot shows the same application with the cart populated. The cart items are displayed in a list, each with a form to update the quantity and buttons to "Add" or "Delete" the item.

Item ID	Item Name	Item Price	
1	New Apple iPhone 12 Mini (256GB) - Blue	84900	Add to Cart
2	Redmi 9 (Sky Blue, 4GB RAM, 64GB Storage)	8999	Add to Cart
3	Samsung Galaxy M01 Core (Black, 2GB RAM, 32GB Storage)	5999	Add to Cart
4	Samsung Galaxy M21 (Midnight Blue, 4GB RAM, 64GB Storage)	12999	Add to Cart
5	Panasonic Eluga i7 (2GB RAM, 16GB Storage, Finger Print Sensor, 4000mAh Battery)	5004	Add to Cart
